HOW TO CRAFT:

1. Cut card template according to instruction.
(Upper part signifies its lid, below part signifies its body)
2. Fold upper part outward.
3. Fold below part inward.
4. Glue the wing of below part to the other end.

**By now you should end up with a box shaped cut paper.
Let's move on!**

5. Cut all printables according to instruction.
6. Glue the object of your choice to any stem.
7. Stem's size will determine object's level.
8. Glue stem to handle.
9. Fold and glue both sides of handle.
10. Place handle in box's left and right inner part.
11. Repeat the steps.
12. Adjust and layer however you like.
13. Decorate and color, release your creativity!
14. Flatten the whole decorated box.
15. Open it and tadaa!

Your pop up card is completed.

**Now let's put it in the envelope and
give it to your loved ones!**
